

Consultancy Costs Abroad (2.7.)

Description

This subsidy supports companies in building up their local market presence abroad, e.g. setting up new branch offices or subsidiaries, company acquisitions etc.

As part of *go-international*, Austrian companies receive advice on selecting appropriate experts and gain support in the following areas: legal, tax and licensing consulting for founding new businesses, due-diligence processes, intellectual property rights, certification, standardisation and for projects abroad (guaranteed by international finance institutions, the EU and OeKB (Österreichische Kontrollbank)).

Details

- A subsidy of maximum EUR 10,000 per country is available
- Cost covered up to a maximum of 50% of verified net costs
- Projects in a maximum of 2 countries are eligible
- The following areas are excluded from this subsidy:
Market strategy advice, location consultancy, HR consultancy, subsidy advice
- Applications to be submitted by 31st March 2011

Requirements

- ✓ Companies must be members of the Austrian Federal Economic Chamber to be eligible
- ✓ Products/ services must create value in Austria (guideline: max. 75% import share)
- ✓ In Europe only SMEs, no restrictions overseas
- ✓ The project must not have been submitted to/approved by any other subsidy office
- ✓ De-minimis rule applies
- ✓ Application must be submitted to ADVANTAGE AUSTRIA (AWO) before any activities commence
