

MISSION STATEMENT

THE AUSTRIAN**TRADE** COMMISSION COPENHAGEN

represents the Austrian business community in Denmark and is the official representative of Austrian business entities. We are the international arm of the Austrian economy and business world, reaching out for new opportunities for our members. Our mission is to establish **b2b** links between Austrian exporters and Danish companies. We are the link to Austrian quality products, services and solution made in .

We represent more than 300.000 Austrian companies through their membership with AUSTRIAN FEDERAL ECONOMIC CHAMBER, which is by far the biggest and most influential official (NPO) business organization in Austria.

We are a service organization and act professionally in the business environment. We operate in the name of Austrian companies as their own representatives do.

Our **prime goal** is to support Austrian exporters with our full line of service and increase business and investment between Austria and Denmark.

Last but not least we take care of both - economic as business - issues for the Federal Government as the Commercial Section of the Austrian Embassy ...
