PRODUCT DESCRIPTION

PRODUCT/SERVICE

Our **mission** is to save 1.5 million lives globally with the right diagnosis.

Symptoma.com is a free search engine for diseases. Users enter symptoms and receive a list of matching causes – sorted by probability.

PAIN POINT & SOLUTION

1 in 7 diagnoses are misdiagnoses. Each year, 1.5 million lives could be saved with the right diagnosis globally. +20k diseases cognitively overwhelm doctors. Only 3% of the doctors are satisfied with existing research tools. Symptoma's diagnostic accuracy has outdone all competitors' raising the bar for this field as first and only viable solution.

ADVANTAGES OVER OTHER PRODUCTS

In 2017, Symptoma has become the dominant player in its industry reaching 900k monthly active users and growing 69% per month. Its search engine is based on the probably largest disease database (20k) enabling highest diagnostic accuracy rates.
