With the opening of its Vienna campus, CEU is launching a thoroughly redesigned Executive MBA. With US & EU-accreditation, this truly international MBA is taught by a faculty of 20 nationalities who have graduated from the world's top universities such as Harvard, Yale, Princeton, MIT and INSEAD.

The CEU Executive MBA for the Open World is a mid-career management program for professionals with at least 8 years of experience, including 3 years of leadership experience, who want to transform their professional future by moving from operational and functional expertise to positions of strategic responsibility.

A tailor-made program for working managers, it allows participants to earn a US & EU-accredited MBA degree in nine blocked modules of each 4 to 9 days, scheduled over 2 years to minimize disruption to the work and life. Six of the modules take place at CEU's brand new Vienna campus and three at CEU's Budapest campus.
