### INTRO

Amadeus International School is located in a green park area in one of Vienna's most prestigious residential areas, just 20 minutes from the historic city centre and 40 minutes from the airport. The school is unique in that the English-language academic program is combined with a program for teaching music and art.

Pupils have a unique opportunity to learn and live in a city famous for its history, culture and quality of life. Vienna is one of the greenest and safest cities in Europe. It is the centre of musical and artistic life. Many architectural, historical and cultural monuments make Vienna one of the most significant cities in the field of world culture.
