General Information about “Study in Austria”

Austria is situated in the heart of Europe and offers an ideal place to live and study for Hong Kong students. Its capital Vienna has been ranked as the city with the highest quality of living worldwide for ten consecutive years and has been awarded with the title of greenest city worldwide in 2020. Not only is Vienna known as the world’s music capital full of traditions and culture, but it is also an important hub within Europe. Due to its location, Vienna has the ideal connection between Western and Eastern Europe and therefore is an interesting city for students from all over the world. But also the universities located in other student cities within Austria (such as Innsbruck, Salzburg, Linz, Graz or Klagenfurt) have rich history and offer interesting study programs for internationals. Given that Austria is a member of the European Union, all offered programmes are internationally acknowledged.

The Education System

Kindergarten

In Austria, the educational career has its start in Kindergarten. One year before entering primary school, children are obliged to attend one Kindergarten year. The idea behind this mandatory year is to provide children with the necessary skills they need for school.

Primary Education (Volksschule)

After Kindergarten, children enter into primary school at the age of 6. Primary school has a duration of 4 years and is mandatory for everyone. Most primary schools in Austria are taught exclusively in German, however, there are individual private primary schools across the country who have specialized in English.

Secondary Education

Austria offers 2 levels of secondary education.

Secondary level 1 lasts for 4 years. Students can choose between new secondary school (Neue Mittelschule – formally known as Hauptschule), academic secondary school lower level (AHS Unterstufe) as well as special needs schools and inclusive education.

Secondary level 2 also lasts for a total of 4 years, with the following options: secondary technical or “polytechnical” schools (= schools preparing students for an apprenticeship or job), vocational schools and apprenticeships (dual system), vocational secondary schools, vocational colleges (3-year education), upper level of grammar schools (higher secondary schools of general education) as well as the vocational preparatory year and integrative vocational education.

Higher Education

There is a wide variety of higher educational institutions in Austria. A total of 22 Austrian universities (www.studienwahl.at/en) offer a broad range of study options

for students. 6 Austrian Universities of Arts offer creative education programmes on music, theatre, film, fine or applied arts. Furthermore, Austria has 21 Universities of Applied Sciences (Fachhochschulen; www.fachhochschulen.at) that offer a combined total of 264 degree programmes. In addition, there are 16 private universities (Private universities; <https://studyinaustria.at/en/study/institutions/private-universities/>) and 14 Teacher Training Colleges and Institutes.

Some 500 different study options in numerous fields are available in Austria. Depending on the field of study, the number of applicants and the size of the university the application criteria varies. In total, international students make up 26% of the Austria's college student body. The majority of international students originate from one of Austria's neighbouring countries (mostly Germany and Italy) or from another EU Member country. After the EU, students from Asia form the second largest group with 8.4%. Please visit <https://studyinaustria.at/en/> for study programmes offered in Austria, as well as a leaflet with listed Austrian universities, the structure of the Austrian education system and all relevant details regarding tuition fees, accommodation, residency & visa etc.

You can find more information on the Austrian education system and Austria's participation in international exchange programmes on the following webpage: www.advantageaustria.org/cn/education

Language Requirements

As Austria is a German-speaking country, you might wish to attend a German-speaking study program. Please consider that you should start learning German early enough to ensure that your German level is high enough in order to follow an academic class. Those who do not want to attend an entirely German university program have the chance to enrol in a study program taught in English. please visit <https://www.studienwahl.at/en> for further information on English programs. In general, there are no universal language requirements which can be apply to all universities. For the specific required language level please refer to the homepage of the respective university you are interested in.

Residency and Visa

In order to study in Austria as a non-member of the European Union, you need to apply for a residence permit for study purposes. You should hand in your application including your letter of admission at least three months before entering Austria. In addition, you will have to prove your sufficient financial means, which comes up to HK\$ 100,000 for students under the age of 24 and HK\$ 120,000 for students above this age. For more information, please visit the homepage of the Austrian Foreign Ministry <https://www.bmeia.gv.at/en/general-consulate-hongkong>

Financial Means

One academic year comprises two semesters, each of around four or five months. When preparing and considering a study program in Austria, the cost of living should be considered. Living expenses, especially housing, can vary greatly depending on the city of study. But in general, all living expenses will be approximately HK\$8,000 per

month. In order to help you with your living expenses and your studies in Austria, various grants and scholarships are provided at the following database: <https://grants.at/en/>. Furthermore, you can check out the website of OeAD to check whether you are eligible for affordable housing. In general, the OeAD-Housing Office allocates vacant residence places to international scholarship holders and exchange students at Austrian universities and colleges as well as other educational institutions and recognized private universities in Austria. <https://housing.oead.at/en/>

Scholarships

The Austrian government, many private institutions and some universities offer scholarships for students. Scholarships are managed by a special agency – the Austrian Exchange Service (OeAD - Österreichischer Austauschdienst). If you are interested in financial support for studying in Austria please visit www.grants.at/en.

奧地利升學資訊

奧地利位於歐洲的心臟地帶，是香港學生理想的生活和學習場所。其首都維也納已連續十年被評為全球生活質量最高的城市，並於2020年被授予全球最綠色的城市的稱號。維也納不僅被譽為充滿傳統和文化的音樂之都，由於其地理位置，維也納也是西歐和東歐之間的理想紐帶，因此對來自世界各地的學生來說是一個有趣的城市。位於奧地利其他城市（如因斯布魯克、薩爾茨堡、林茨、格拉茨或克拉根福）的大學也擁有悠久的歷史，並為國際學生提供有趣的學習課程。雖然奧地利的官方語言為德語，但近年眾多公立和私立大學相繼開設英語輔助課程，甚至以全英語教學，為只懂英語的學生，提供另一留學的好平台。由於奧地利政府對教育方面全力資助，令公立大學的學費非常經濟（低於每年九千港元），私立大學的學費亦非常相宜（平均每年低於十萬港元），生活費（包括食宿、交通、醫療保險等）平均約為每月六、七千港元，同時大學生更可利用課餘兼職每週不多於二十小時。奧地利乃歐盟國的成員，提供國際認可的課程，絕對是適合香港及澳門學生居住及升學的一個好地方！

教育制度

小學階段 (Volksschule)

在奧地利六歲起開始必須接受四年初等教育。

初中教育

初中第一級維持四年，學生可由以下多個途徑當中選其一：

- 1) 中學低年級 (Hauptschule)
- 3) 中學 (Neue Mittelschule)
- 4) 初級學術型中學 (AHS Unterstufe)
- 5) 特殊學校
- 6) 共融教育

高中教育

之後四至五年高中可選擇普通教育課程和專科職業培訓課程。

高等教育

奧地利擁有眾多高等教育機構，包括綜合大學、藝術大學、應用科技大學、師範大學。學位分三類：學士學位、碩士和博士。

二十二所綜合大學(www.studienwahl.at/en)提供了一系列的學科讓學生選讀。如您對音樂、戲劇、電影、純粹藝術或應用藝術有興趣，六所藝術學科為主的大學為學生

提供創意教育課程。奧地利的二十一所應用科技大學[德語網站 www.fachhochschulen.at]，亦提供多達264學位課程。

另外，奧地利的十六所私立大學[德語網站www.oepuk.ac.at]和十四所師範大學亦提供優質的學術教育。奧地利的大專教育提供多達五百個學科供選擇。大約五分之一的奧地利大學生為外地生。

如要索取更多有關奧地利教育制度及奧地利參與國際交流計劃的資訊，可瀏覽：
www.advantageaustria.org/cn/education

奧地利的母語是德語，您可選擇報讀以德文為主導語言的國際課程。及早學習德語，以確保有適合的德語水平來應付學業。

想了解更多？

請到<https://studynaustria.at/en/>尋找更多奧地利開辦的課程。網頁上亦有名單顯示奧地利的不同大學。當地的教育制度，以及有關學費、住宿、居留和簽證等詳情，都可到該網查詢。

經濟支援

一個學年一般分為兩個學期，每個學期為期四至五個月。生活費計算在內，每月的支出只需大約港幣\$6,000至\$7,000，全因奧地利的宗旨是「既高質又實惠的教育」。若需申請日常開支的補貼，可到此資料庫查詢可供申請的助學金及獎學金——

www.grants.at/en

學生簽證、居留許可證

在奧地利升學的人士，需申請學生身份的居留許可證。請於到奧地利前的最少三個月前辦理申請手續，並附上取錄通知書作證明。此外，您亦須證明有足夠的財產。詳情可瀏覽：www.bmeia.gv.at/hongkong

獎學金

當地政府、私營機構及部份大學為學生提供獎學金，而這些獎學金一律由Austrian Exchange Service(OeAD - Österreichischer Austauschdienst)管理。若您有興趣到奧地利升學及希望了解更多有關經濟支援的詳情，可到以下網頁查詢：
