

Austria:

Where **Innovation** moves Mountains

Your ICT & Life Sciences Hub in the heart of Europe

November 10th 2021
09.30am (CET)

Join us on November 10th and find out about the thriving ICT and innovation landscape Austria has to offer. **Meet international founders**, who already successfully set up their business in Austria and have all your questions answered by our experts. After the regular event you will have the opportunity to network via private 1:1 meetings with our experts and other participants.
