

H. Wilhelm SCHAUMANN (1904 – 1992)

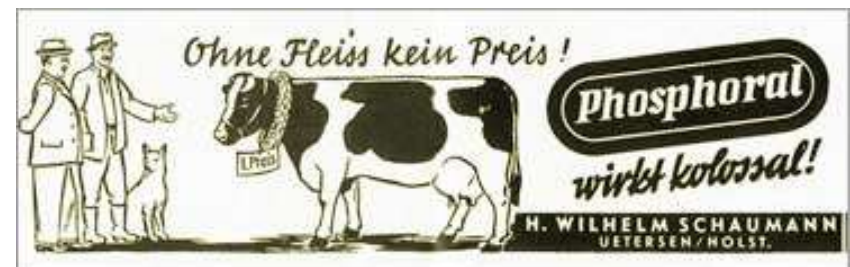

... founded the company in 1938

... still 100 % family-owned

His unique idea:

Home-mixing feed by using
feedstuffs produced on the farm,
a protein source and

SCHAUMANN-products

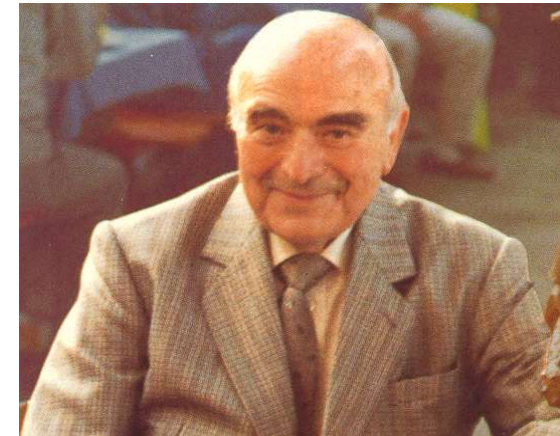

SCHAUMANN

- Since more than 80 years specialist for nutrition of livestock
- Farm-individual feeding concepts in the focus

Basics of success – 6 stars:

- ✓ Individual consultation
- ✓ Practice-oriented research
- ✓ Innovative products
- ✓ Sustainable use of resources
- ✓ Integration into an international network
- ✓ Feeds success (*Erfolg im Stall*)
