

SURPRIS INGLY INGENIOUS

Dear Business Partners and Friends of ADVANTAGE AUSTRIA

I hope you had a wonderful Christmas break and are entering the new year with excitement for what is to come. The past year has been tumultuous, bringing significant change both globally and here at our Dublin office. New innovations continue to enter the market with remarkable frequency, and staying abreast of these developments is essential for maintaining prosperous economies in both Ireland and Austria.

I am looking forward to meeting even more of you over the coming months, strengthening existing business ties and building new ones.

FOR MEDICINE OF THE FUTURE: INNOVATIVE POWER FROM AUSTRIA

Austria's innovation power in the life sciences, pharmaceuticals and medical technology sectors is world leading. Continuous progress in developing vaccines and medicines as well as innovations in medical technology make the sector a strong driving force for the Austrian economy. This innovative power is supported by a thriving research landscape. This draws strength from close cooperation between research institutions and companies in the country as well as from extensive international networks.
