

Dear Business Partners and Friends of ADVANTAGE AUSTRIA

As summer gets under way, I hope the year is treating you and your business well. Recent months have shown how closely Austrian-Irish economic ties continue to deepen, from the strong turnout at our Spring Drinks networking event to landmark moves such as BAWAG's agreement to acquire Permanent TSB. Our Dublin team remains focused on opening doors between our two markets, supporting Austrian firms entering Ireland and helping Irish partners discover what Austria has to offer.

I look forward to seeing many of you over the summer and to building on these connections in the second half of the year.

#GREENTECHAUSTRIA #GREENBUILDINGAUSTRIA

GREENTECH AND GREEN BUILDING FROM AUSTRIA FOR THE WORLD

Addressing global environmental challenges requires technological excellence and bold innovation. Austrian pioneers in the fields of GreenTech and Green Building are providing the decisive momentum - ranging from pioneering waste management and high-efficiency recycling to climate-neutral industrial production and a seamless circular economy. They combine deeply rooted engineering expertise with the clear objective of establishing Austrian excellence as the global standard for a more sustainable future.
