BE A SPONSOR, BE VISIBLE, BE A CHAMPION FOR CONNECTING EUROPE AND JAPAN

Dear partners,

We are pleased to announce our sixth startup conference **TechBIZKON!** The title this year is "**TechBIZKON VI Mobility – A journey into the future**", with a focus on mobility technology applications. Startups from Austria, Belgium, Germany, Italy and Japan will present innovative and disruptive solutions aiming at providing new ideas to solve mobility challenges.

TechBIZKON has been held every year since 2017 bringing together startups, VCs and stakeholders from Europe and Japan to promote long-term technological and economical exchange between the startup ecosystems of the participating countries.

EVENT HIGHLIGHTS

- Pitching contest with 15 selected startups from the participating countries
- Panel discussions about mobility challenges from a business and technology perspective by experts from Europe and Japan
- Exhibition area for participating startups
- Key representatives and decision makers from mobility related industries in Europe and Japan
- Networking cocktail with specialties from the participating countries
- Gain more visibility by sponsoring attractive prizes for the participating startups
