We are happy to receive applications to join ILF offices in Atyrau and Almaty, Kazakhstan.

We are looking for future colleagues who recognize the importance of societal change and want to help us improve the quality of life for everyone. If you have outstanding analytical capabilities paired with a high level of commitment and team spirit, you will fit in greatly with ILF. ILF can offer you excellent opportunities for your professional development and a high profile work with interesting projects.

Who we're looking for:

- Junior Process Engineer (Atyrau office)
- Junior Piping Engineer (Atyrau office)
- Junior Electrical Engineer (Atyrau office)
- Junior Civil Engineer (Atyrau office)
- Junior Instrumentation & Control Engineer (Almaty office)
- Junior Translator (Almaty office)

Please apply if you have the following credentials:

- Good degree (BSc, BEng / MSc, MEng) in relevant discipline
- Strong analytical skills
- Ability to work in a team environment
- Fluent in English

Recruitment process:

- Application submission deadline – **July 1, 2021**
- Interview with ILF Recruiter
- Interview with ILF Line Manager

Interested to apply?

Please provide us with the following documents:

- CV in English
- Cover letter describing why you are interested in joining ILF
- Diploma with transcript

Send the documents to recruitment-kaz@ilf.com with the subject of e-mail «Graduate Recruitment 2021»
