

ABA OPEN DAY 2021

Austria – Your ICT and Innovation Hub in the Heart of Europe

March 11th 2021
09.00am (CET)

Are you considering expanding your business activities internationally and looking for the right location to do so?

Join us to learn more about Austria's thriving ICT and innovation landscape and what advantages and opportunities it offers to foreign companies and investors.

Get insights from international corporates and founders who have already successfully launched their businesses in Austria.

Network and have all your questions answered by our experts in 1:1 Meetings.

Agenda

9.00 am Why Austria? What are the Austrian IT market specifics? How best to enter? Artificial Intelligence in Austria: What's in it for international companies?

9:30 am Interactive Session: Experiences from international companies having established business in Austria: Learn about legal aspects of company formation, support services and subsidy opportunities

11.00-17.00 Individual Consulting sessions: 1:1 meetings

The event will take place via the **B2Match platform**.

Sign up here: <https://austria-ict-and-innovation-in-europe.investinaustria.at/>

Seize the opportunity to schedule 1:1 meetings with the experts and get your personal questions answered.

We look forward to your participation on March 11th!
