

INVITATION

I am pleased to invite you to our annual conference **CARINTHIA innovates 2024**, which takes place on **21 November 2024** at **Lakeside Park Klagenfurt, Carinthia, Austria**.

The conference is for national and international companies and entrepreneurs who are interested in **Carinthia's innovative economic and research framework**. The aim is to present Carinthia's economic and research strategies, and to offer networking possibilities. The participants can explore Carinthia as a business location, evaluate research & development potential and participate in tech park tours & laboratory visits.

CARINTHIA innovates offers you the unique opportunity to network with internationally renowned companies and research institutions as well as to establish innovative collaborations. Gain an insight into Carinthia's latest developments in the areas of **circular economy, green & smart construction, semiconductor industry, robotics & drones and artificial intelligence**. Enter into dialogue with leading researchers and visit some of the most renowned research institutions in Carinthia. Explore Carinthia's cutting-edge research and learn more about the innovative technologies, which are being developed in the region, to be inspired and to connect with research experts and possible partners.

Finally, I would like to especially invite you to our **CARINTHIA innovates networking event** in the evening, which gives national and international companies and entrepreneurs the opportunity to explore a possible collaboration. The networking evening is exclusive for companies and entrepreneurs.

Please find detailed information on our [conference page](#) and register [here](#).

I look forward to your attendance.

With innovative wishes,

Dott.ssa Marzia Di Bella-Negi, LLM
