

B2B Event Timber Construction and Forestry at the International Wood Fair 2022 in Klagenfurt

The Economic Chamber of Carinthia (Foreign Trade Department and EU-Affairs) in cooperation with the Slovenian Business Association, the New Alpe Adria Network of Chambers and the Enterprise Europe Network invite to the international B2B Cooperation-Exchange Event in the field of Timber Construction and Forestry. The event is organised in the scope of the well-known International Wood Fair 2022 in Klagenfurt.

Date: Friday, 2nd September 2022 | 2:00 p.m.
Location: Kärntner Messen Klagenfurt, Messe-Centrum 5, 1st floor
9020 Klagenfurt am Wörthersee, Austria

This networking event targets a wide spectrum of companies from Central Europe, the Alpe-Adria-Region and representatives from public authorities in the sector of timber and forestry.

Main topics:

- Timber construction & products
- Forestry tools, occupational health, safety and accident prevention
- Wood harvesting techniques
- Sawmill technology
- Wood measurement and IT
- Bioenergy
- Transport & logistic

Why participate?

- to get to know new potential partners
- to initiate future international business deals
- to discuss new technologies and research projects
- to visit the International Wood Fair 2022 in Klagenfurt

Registration and Program: <https://woodfair2022.b2match.io/>

The participation is free of charge and open to all participants with a special focus on SMEs. The official language used at the event is English.
