On the occasion of an **Austrian Smart City delegation** during the "2019 Smart City Summit & Expo", we cordially invite you to our **Austrian Business Circle (ABC)** networking reception. It is our pleasure to team up with the **CDIB CAPITAL INNOVATION ACCELERATOR (CCIA)** to co-host this event in their office at Nangang Software Park – *for directions see map below.*

By providing abundant resources, including financial holding, venture capital, industry networking, mentorship, social community and media, the **CDIB Capital Innovation Accelerator Fund** supports start-up companies' growth and expansion into global markets.

Meet and mingle with Austrian officials and company representatives, who are visiting Taiwan. While enjoying delicious food and Austrian wines, last not least, to deepen Austria's Smart City cooperation with New Taipei City. Let us catch up and toast to an auspicious New Year of the Pig ahead!
