

INCR EDIBLY WELCOMING

Austrian Business Circle (ABC) *Christmas Party*

6 December 2017, 6.30 - 9.00 pm

Dear friends,

You can already see, hear and feel it: the Christmas Season is slowly setting in and brings us joyful anticipation of the most beloved festivity in western culture. On this occasion, I would like to invite you to our annual Christmas Party at my apartment building in **No. 363 Lin Sen North Road (B1 reception room) on 6th December, 2017**. We will start at **6.30 pm** – make sure to RSVP as mentioned below.

This year, we want to celebrate the **200 year anniversary** of the Christmas Carol **“Silent Night”** - from Austria it went around the world to become the most well-known Christmas song of all times, translated into more than 300 different languages and dialects. The melody also stands for world peace, mutual understanding and intercultural exchange. We are very happy to have the student brass ensemble of Soochow University to share the Christmas spirit with us and perform live Christmas music.

Together with our long-time office partners, friends and sponsors we will enjoy delicious food along with Austrian mulled wine ('Glühwein') - *the traditional Christmas drink* - red and white wine, beer, coffee, ice cream and other delicacies.

I am looking forward to seeing you there!
