This September, Austrian company representatives, members of politics, research institutes and Austrian startups will visit Taipei and Hsinchu in an intensive two-day program. Welcome them together with us at our *Austrian Business Circle* on 13 September 2018 in a truly inspiring new location: The outdoor area of Zhongshan District's **Dance Café 跳舞咖啡廳**, a perfect spot to mingle, enjoy delicious food and refreshing summer drinks. *For directions, please refer to the address and Google Maps below.*

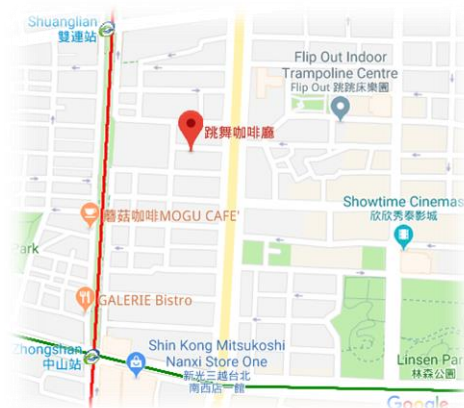

The **Silicon Alps Electronic Cluster** is a public-private partnership that brings together Austrian players from industry, science and government to develop and internationalize Austria's vibrant semiconductor and electronics sector. Partners include AT&S Austria, Infineon Austria, Intel Austria, NXP Semiconductors and many more.

We would also like to use this occasion to bid farewell to **Stefano La Croce and his wife Barbara**, who will be leaving Taiwan for Europe on 16 September. **Do not miss out and sign up now!!!**
